Chase's Golden Paw

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

A gentle nudge, a trusting head
Against my leg, a story spread
Your golden fur, a comfort deep
A promise that you'd always keep
Your paw reached out, a soft command
To find its home within my hand
A loyal soul, so pure and true
My sweet retriever, I found you

Chorus

Oh, Chase, my boy, through eleven years
You quieted my every fear
A love so bright, a guiding star
No matter where you are

Verse 2

No matter if I'd gone for long
You greeted me with happy song
Your tail a blur, a joyful sound
The bestest boy I'd ever found
In Carmel by the ocean wide
With Dad and Aunt Denise beside
Those precious moments, free and bright
Bathed in the sun, a pure delight

Chorus

Oh, Chase, my boy, through eleven years
You quieted my every fear

Chase's Golden Paw (continued)

A love so bright, a guiding star
No matter where you are

Bridge

I whispered then, "Run free from pain"
A love for you I can't explain
After Jim left, you stayed so near
Absorbing every lonely tear
My furry rock, my steady friend
You never left me till the end

Instrumental - piano, cello

Final Chorus

Oh, Chase, my boy, through eleven years
You quieted my every fear
A love so bright, a guiding star
No matter where you are

Outro

Now running free in endless grace
You're in your Dad, dear Jim's embrace
With Sam and Niki, Gabe and bright
Tosha and Jacob, Sadie's light
And Hobo too, a joyful pack
All running home, there's no turning back
In grassy fields, so green and vast
A love like yours, forever meant to last

Outro - acoustic guitar fade

Forever in our hearts
