Frankie's Gentle Spirit

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

From the moment you came home, a joyful sight,
Your happy paws, a pure and shining light.
We heard you prancing, a rhythm sweet and true,
Your nails on hardwood, a song for me and you.
A Shepherd's heart, an Aussie's playful grace,
You filled our home, found your forever place.
Each day with you, a treasure to behold,
A story in your eyes, brave and bold.

Chorus

Oh, Frankie, sweet Frankie, our gentle, loyal friend,
Twelve amazing years, right until the very end.
Your spirit lingers, a warmth within our soul,
Making every broken piece feel whole.

Verse 2

Out on the farm, a memory so clear,
The kitties gathered, holding you so dear.
Especially "far apart eyes," who loved you best,
You'd rest so calmly, putting hearts at rest.
The most gentle soul, with kindness in your gaze,
Through golden sunsets and bright sunny days.
You taught us patience, a love so pure and deep,
Secrets of the quiet farm you'd keep.

Chorus

Oh, Frankie, sweet Frankie, our gentle, loyal friend,
Twelve amazing years, right until the very end.

Frankie's Gentle Spirit (continued)

Your spirit lingers, a warmth within our soul,
Making every broken piece feel whole.

Bridge

Go say hello to all the ones we miss,
Nuggs, Smoky, Lexi, Mickey, with a loving kiss.
The five babies, Charlie, Tiger, Buddy, Lucky, dear,
Far apart eyes and Luna, banishing all fear.
Mom misses you so much, we all miss you, it is true,
We'll see you again soon, please find us, we'll find you.

Instrumental - piano, cello

Final Chorus

Oh, Frankie, sweet Frankie, our gentle, loyal friend,
Twelve amazing years, right until the very end.
Your spirit lingers, a warmth within our soul,
Making every broken piece feel whole.

Outro - acoustic guitar fade, soft hum

Now you're roaming free, with no pain to bear,
No hurting hips, no cancer anywhere.
Just Frankie running, with your kitty friends nearby,
With deer and birds beneath the open sky.
Strolling down the gravel, with your best cat pal in tow,
Barking when you need to, a gentle, happy glow.
Resting peacefully, our sweet and noble boy,
Forever in our hearts, a memory of joy.

Forever in our hearts
