Merlin's Gentle Dream

A Tribute Song

Intro - Rhodes piano, soft strings

Verse 1

The day you came, a tiny little form,
My world was changed, safe from every storm.
A mini dachshund, with a loving heart,
Right from the start, we'd never be apart.
Your unconditional love, a beacon so bright,
Making everything feel perfectly right.
In your sweet presence, worries took their flight,
Bathed in your gentle, morning light.

Chorus

Oh, Merlin, sweet Mister, my faithful friend,
Sixteen cherished years, 'til the very end.
Your spirit shines on, a star in the sky,
My love for you, will never die.

Verse 2

Each morning call, a ritual we shared,
"Good Morning Mr Merlin," how much I cared.
"Good Morning Little Mister," I'd softly say,
To start our beautiful, brand new day.
"Mommy loves you and Spirit loves you," so true,
"And we love each other," me and you.
"It's going to be a wonderful day, because we get to be together!"
"Best friends; the very best of friends!" forever.

Chorus

Oh, Merlin, sweet Mister, my faithful friend,
Sixteen cherished years, 'til the very end.

Merlin's Gentle Dream (continued)

Your spirit shines on, a star in the sky,
My love for you, will never die.

Verse 3

Your long little body, a shadow by my side,
Through every season, with nothing to hide.
A wiggly tail, a playful, loving glance,
You always knew how to make my spirit dance.
Those little paws that pattered on the floor,
Always eager to explore, and ask for more.
A constant comfort, a presence so dear,
Wiping away every single tear.

Chorus

Oh, Merlin, sweet Mister, my faithful friend,
Sixteen cherished years, 'til the very end.
Your spirit shines on, a star in the sky,
My love for you, will never die.

Bridge

Though silence fills the space where you would lay,
I hear your whisper, gently every day.
"I love you and miss you so much," it's true,
"One day, we will be reunited," me and you.

Instrumental - Rhodes piano, soft strings, nylon guitar

Final Chorus

Oh, Merlin, sweet Mister, my faithful friend,
Sixteen cherished years, 'til the very end.
Your spirit shines on, a star in the sky,
My love for you, will never die.

Outro - soft hum, Rhodes piano fade, nylon guitar

Now you're playing in a meadow, green and wide,
With R.K. beside you, a gentle guide.
Through flowers and pathways, hills in the sun,
Peacefully resting, your journey is done.

Outro - Rhodes piano fade

Forever in our hearts
