

Remembering Ollie

Custom Pet Memorial Songs

Arlo's Gentle Guard

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

I still recall the day we met, your eyes so keen and bright
A German Shepherd full of grace, a beacon in the light
You'd drop the frisbee at my feet, a bark to make me see
A silent plea for joyful chase, inviting me to play

Chorus

Oh, Arlo, my sweet Arlo, how the seasons softly flew
Nine precious years we walked as one, my loyal, loving you
Though tears may fall and hearts may ache, your spirit softly gleams
You're forever in my fondest thoughts, a star in all my dreams

Verse 2

When lunch hour came each working day, a clock within your soul
You'd wait right on the porch for me, making my spirit whole
Just a few minutes, swift and sweet, a stolen game of ball
You taught me joy in simple things, answering every call

Chorus

Oh, Arlo, my sweet Arlo, how the seasons softly flew
Nine precious years we walked as one, my loyal, loving you
Though tears may fall and hearts may ache, your spirit softly gleams
You're forever in my fondest thoughts, a star in all my dreams

Bridge

I whisper to the empty air, "You're the best Arlo ever, so good and true"
My heart still aches for just one touch, one last game played with you
How much I love you, precious boy, more than words can ever say

Arlo's Gentle Guard (continued)

What I would give for one more toss, to lengthen just one day

Instrumental - cello, piano

Final Chorus

Oh, Arlo, my sweet Arlo, how the seasons softly flew
Nine precious years we walked as one, my loyal, loving you
Though tears may fall and hearts may ache, your spirit softly gleams
You're forever in my fondest thoughts, a star in all my dreams

Outro - piano fade, acoustic guitar

We cried for days, your siblings lost, your sister wonders where
But in my heart, I pray you're safe, with Jesus, free from care
Running fields of endless green, or softly sleeping, warm and deep
My sweet Arlo, forever yours, the promises I'll keep.

Forever in our hearts
