Freddie's Sunny Run

A Tribute Song

Intro - fingerpicked acoustic guitar

Verse 1

The day we met, my best friend dear,
A little Frenchi, banished all fear.
With snorts and wiggles, a joyful sight,
You'd race to greet me, with all your might.
Through the front door, you'd bound and leap,
Promises of love, you always did keep.
A tiny shadow, always near,
You made my lonely world so clear.

Chorus

Oh, Freddie, sweet Freddie, my sunshine bright,
Four years we shared, a guiding light.
Though you're not here, your spirit stays,
In every one of my coming home days.

Verse 2

Every moment, a special grace,
Your happy sighs in your favorite space.
Curled on my lap, a quiet sound,
The purest love I ever found.
Your funny walk, your eager stare,
A constant comfort, beyond compare.
Just being with you, through and through,
The simple joys that only you knew.

Chorus

Oh, Freddie, sweet Freddie, my sunshine bright,
Four years we shared, a guiding light.

Freddie's Sunny Run (continued)

Though you're not here, your spirit stays,
In every one of my coming home days.

Bridge

Now I whisper, on the softest breeze,
Past the tall pines, past the leafy trees.
My heart still echoes, strong and true,
Freddie, my love, I love you so much, I love you.

Instrumental - acoustic guitar, banjo, upright bass

Final Chorus

Oh, Freddie, sweet Freddie, my sunshine bright,
Four years we shared, a guiding light.
Though you're not here, your spirit stays,
In every one of my coming home days.

Outro - acoustic guitar fade, light percussion

Now you're playing, out in the sun,
Your happy spirit, forever runs.
A peaceful dream, beneath blue skies,
Freddie, my love, never goodbye.

Forever in our hearts
