Bon's Gentle Dream

A Tribute Song

Intro - soft piano, acoustic guitar, upright bass, ethereal pad

Verse 1

A German Shepherd, strong and true, named Bon,
With the greatest personality, from dusk until the dawn.
For thirteen years, a constant joy, a presence sweet and kind,
The loyalest of companions, a treasure for the mind.

Chorus

Oh, Bon, my dear Bon, thirteen years of love,
Sent to us like a blessing from the stars above.
Now you rest in gentle slumber, peaceful and serene,
The best companion we have ever seen.

Verse 2

I see you still at nighttime, with your favorite crazy ball,
You'd "talk" to us with happy sounds, answering every call.
Those special moments fill our hearts, a memory so clear,
Chasing shadows, full of life, banishing all fear.

Chorus

Oh, Bon, my dear Bon, thirteen years of love,
Sent to us like a blessing from the stars above.
Now you rest in gentle slumber, peaceful and serene,
The best companion we have ever seen.

Bridge

The house feels quiet now, without your joyful sound,
A piece of our own hearts, nowhere to be found.
A silent whisper in the air, a truth that echoes through,

Bon's Gentle Dream (continued)

In every moment, darling Bon, "I miss you."

Instrumental - piano, upright bass, gentle shaker

Final Chorus

Oh, Bon, my dear Bon, thirteen years of love,
Sent to us like a blessing from the stars above.
Now you rest in gentle slumber, peaceful and serene,
The best companion we have ever seen.

Outro - soft hum, piano fade, acoustic guitar

Beyond the clouds, we know you're free, with Lucky by your side,
Running wild with crazy ball, across the heavens wide.
A peaceful sleep, a happy dream, until we meet again,
My Bon, my sweet Bon, beyond the fading pain.

Forever in our hearts
