

Remembering Ollie

Custom Pet Memorial Songs

Holly's Tall Grass Run

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

I remember the sound so clear and true,
Of little nails clicking, always close to you.
On wooden floors, a rhythm soft and low,
A Labradoodle's heart, a love we'd always know.
You'd find your spot right by my side,
No matter where I tried to hide.
A gentle comfort, always near,
Chasing away every doubt and fear.

Chorus

Oh, Holly, my sweet Holly, fifteen years we shared,
A bond of pure devotion, beyond all compare.
Your spirit shines so brightly, a star in the night,
Forever in our memories, our guiding light.

Verse 2

When twilight fell and the day grew long,
And the world outside forgot its busy song,
That's when you'd settle, a peaceful, quiet grace,
Finding comfort in our calm, familiar space.
A loving gaze, a soft, contented sigh,
As all the hurried moments drifted by.
Just silent understanding, deep and true,
Those quiet nights, just me and you.

Chorus

Oh, Holly, my sweet Holly, fifteen years we shared,
A bond of pure devotion, beyond all compare.

Holly's Tall Grass Run (continued)

Your spirit shines so brightly, a star in the night,
Forever in our memories, our guiding light.

Bridge

My whispered words, I sent them on the breeze,
"Go run free girl, through fields and through the trees."
And someday, my sweet friend, when our journeys end,
We'll all run together, around the bend.

Instrumental - harmonica, acoustic guitar

Final Chorus

Oh, Holly, my sweet Holly, fifteen years we shared,
A bond of pure devotion, beyond all compare.
Your spirit shines so brightly, a star in the night,
Forever in our memories, our guiding light.

Outro - acoustic guitar, harmonica fade

Now I see you running, vibrant and so free,
In tall green grass, for all eternity.
With Rosie and with Baja, chasing sunlit dreams,
A peaceful image, or so it seems.
Running free, my sweet girl.

Forever in our hearts
