

Remembering Ollie

Custom Pet Memorial Songs

Bear's Loyal Heart

A Tribute Song

Intro - piano, cello

Verse 1

The day I walked in, silence filled the air
But one sturdy shadow, showed that someone cared
Just a little puppy, the only one to greet
Your soft, rumbling welcome, always felt so sweet

Chorus

Oh, Bear, my sweet Bear, eleven years and a week so true
Every quiet moment, remembering you
Your gentle spirit lingers, a comfort to my soul
Making every broken piece feel whole

Verse 2

No matter the hour, the door would softly close
Your steady heart would stir, as everyone else'd doze
A soft rumble rising, a gentle, happy sound
And our quiet walks together, on sacred, hallowed ground

Chorus

Oh, Bear, my sweet Bear, eleven years and a week so true
Every quiet moment, remembering you
Your gentle spirit lingers, a comfort to my soul
Making every broken piece feel whole

Bridge

Thank you, lad, for just being the perfect dog, so true
A faithful heart I found, forever close to you
Your sturdy presence, a comfort and a light

Bear's Loyal Heart (continued)

Guiding me gently through the darkest night

Instrumental - piano, cello, soft strings

Final Chorus

Oh, Bear, my sweet Bear, eleven years and a week so true
Every quiet moment, remembering you
Your gentle spirit lingers, a comfort to my soul
Making every broken piece feel whole

Outro - piano fade, cello

At the Rainbow Bridge, I know you gently wait
Your loving spirit ready, to pass through the final gate
We'll cross it together, when my own journey's through
Until then, sweet Bear, I dream of you

Forever in our hearts
