Millie's Gentle Morning Light

A Tribute Song

Intro - Rhodes piano, soft strings

Verse 1

The first morning light, a gentle tap,
You'd wake us with a happy flap.
Your little tail began to wag,
A sweet, soft bottom, never a brag.
No bad bone in your loving heart,
A brand new life, a brand new start.
A gentle soul, a trusting gaze,
Through all our wonder-filled days.

Chorus

Oh, Millie, sweet Millie, our dear friend,
For eleven years, a love without end.
A precious bond, so pure and true,
Our hearts will always remember you.

Verse 2

Through sunny mornings, soft and slow,
Our cuddles grew, a steady flow.
But evenings on the sofa near,
Chased away every doubt and fear.
Your head upon my lap so light,
Those belly rubs made everything right.
A gentle sigh, a sleepy sound,
The sweetest presence all around.

Chorus

Oh, Millie, sweet Millie, our dear friend,
For eleven years, a love without end.

A precious bond, so pure and true,
Our hearts will always remember you.

Verse 3

A quiet moment, soft and deep,
While peaceful secrets you would keep.
Upon the rug, your little spot,
With cherished toys, so dearly got.
A happy sigh, a gentle dream,
Part of our household's loving gleam.
Your quiet joy, a special grace,
Filling our lives, time and space.

Chorus

Oh, Millie, sweet Millie, our dear friend,
For eleven years, a love without end.
A precious bond, so pure and true,
Our hearts will always remember you.

Verse 4

With Rocco by your joyful side,
Through sunlit woods, you'd be his guide.
In summer days, a cooling pool,
You taught him every playful rule.
A loyal sister, kind and true,
His every step was led by you.
A beautiful friendship, soft and deep,
Secrets two furry hearts would keep.

Chorus

Oh, Millie, sweet Millie, our dear friend,
For eleven years, a love without end.
A precious bond, so pure and true,
Our hearts will always remember you.

Verse 5

A gentle paw upon my arm,
Your quiet message, free from harm.
So chilled and sweet, a loving soul,
You made our family feel whole.
For chicken treats, or tasty cheese,
You'd beg with such a charming ease.
Though shy at first with faces new,
Once known, your loyal heart shone through.

Millie's Gentle Morning Light (continued)

Chorus

Oh, Millie, sweet Millie, our dear friend,
For eleven years, a love without end.
A precious bond, so pure and true,
Our hearts will always remember you.

Bridge

That final day, a whispered plea,
"Go chase the dickie birds again for me."
"And I love you so much," I softly said,
A loving memory inside my head.

Instrumental - nylon guitar, cello

Final Chorus

Oh, Millie, sweet Millie, our dear friend,
For eleven years, a love without end.
A precious bond, so pure and true,
Our hearts will always remember you.

Outro - Rhodes fade, soft hum

Now in the garden, bright and free,
You follow birds for us to see.
Running with joy, no pain can bind,
Our sweet Millie, peace you find.

Forever in our hearts
