# Boo Boo's Hillside Song

*A Tribute Song*

---

**Intro - acoustic guitar, harmonica**

## **Verse 1**

I remember your small, beautiful face,  
A tiny pointed nose, full of grace.  
You'd grab my hand with both your soft paws,  
Demanding belly rubs, defying all laws.  
Biting gently, you'd make your plea known,  
Until a treat for you was overthrown.  
No sleep for me till your wish was met,  
The cutest, bossiest dog I'd ever met.

## **Chorus**

Oh, Boo Boo, sweet Boo Boo, my little star,  
Fourteen precious years, no matter how far.  
You filled our lives with a love so true,  
Every moment a gift, just being with you.

## **Verse 2**

On winding roads to the cabin high,  
You'd give "the look" from beneath your eye.  
If I swerved to dodge a pothole's plight,  
Or wildlife darting in the fading light.  
My co-pilot, watchful, ever so keen,  
The best little traveler I'd ever seen.  
Your silent counsel, a worry so deep,  
While mountains around us went fast asleep.

## **Chorus**

Oh, Boo Boo, sweet Boo Boo, my little star,  
Fourteen precious years, no matter how far.

---

*Boo Boo's Hillside Song (continued)*

You filled our lives with a love so true,  
Every moment a gift, just being with you.

**Bridge**

You were and always will be the world to us,  
Hoping you knew how much you were loved, without fuss.  
A bond unbreakable, strong and so pure,  
A love in our hearts that will forever endure.

**Instrumental - harmonica, acoustic guitar**

**Final Chorus**

Oh, Boo Boo, sweet Boo Boo, my little star,  
Fourteen precious years, no matter how far.  
You filled our lives with a love so true,  
Every moment a gift, just being with you.

**Outro - acoustic guitar fade**

Now you're pain-free, running wild and free,  
Killing time, Boo Boo, till we all can be  
Back together, chasing endless sun,  
Your sweet journey, forever spun.

*Forever in our hearts*
