# Arrow's Gentle Watch

*A Tribute Song*

---

**Intro - acoustic guitar, harmonica**

**Verse 1**

I remember the day, clear as can be  
A happy smile just for me  
A sleek Doberman, strong and so grand  
Always there, with a paw in my hand  
You'd greet me at the door, a joyful sound  
The sweetest companion I'd ever found  
Those loving eyes, a comforting gaze  
Through all of our beautiful days

**Chorus**

Oh, Arrow, my dear, for nine precious years  
You chased away all of my fears  
A bond woven deep, a love so true  
My heart will always remember you

**Verse 2**

No matter the hour, morning or night  
You'd curl up beside me, holding me tight  
A gentle nudge, a soft, sleepy sigh  
Always close, beneath the same sky  
Your head on my lap, a moment of grace  
Finding comfort in your favorite place  
The quietest cuddles, a sacred art  
Forever etched deep in my heart

**Chorus**

Oh, Arrow, my dear, for nine precious years  
You chased away all of my fears

---

*Arrow's Gentle Watch (continued)*

A bond woven deep, a love so true  
My heart will always remember you

**Bridge**

I love you more than words could ever express  
And thank you for choosing me, my sweet Princess  
For being your mama, you made me so proud  
Your paw prints are etched in my soul, unbowed

**Instrumental - harmonica, acoustic guitar**

**Final Chorus**

Oh, Arrow, my dear, for nine precious years  
You chased away all of my fears  
A bond woven deep, a love so true  
My heart will always remember you

**Outro - acoustic guitar fade, harmonica**

Now you're sunbathing, a warm golden gleam  
Watching over me, like a beautiful dream  
Peaceful and free, in the light of the day  
My sweet Arrow, forever you'll stay.

*Forever in our hearts*
