# Tucker's Golden Shore

*A Tribute Song*

---

**Intro - soft piano, nylon guitar**

**Verse 1**

On China Lake, a beautiful boy, with fur of golden light  
He loved to swim and bring such joy, a wondrous, happy sight  
With brother Jackson, boat rides near, he'd wag his tail with glee  
Chasing ripples, no trace of fear, as wild as he could be

**Chorus**

Oh, Tucker, sweet Tucker, for fourteen years and eight  
Your smiling face, a love so true, defying time and fate  
A loyal heart, a gentle soul, a comfort and a friend  
You made my world forever whole, a love that has no end

**Verse 2**

I loved our long walks on the sand, where salty breezes blew  
Pure bliss to watch you on the land, roll in the grass anew  
After a swim, a happy sigh, then snuggles and a kiss  
My sweet companion, passing by, filled every day with bliss

**Chorus**

Oh, Tucker, sweet Tucker, for fourteen years and eight  
Your smiling face, a love so true, defying time and fate  
A loyal heart, a gentle soul, a comfort and a friend  
You made my world forever whole, a love that has no end

**Verse 3**

With every greeting at the door, a toy held in your mouth  
From garden vines, you'd ask for more, a cucumber heading south  
You were a playful, smiling pup, mischievous and kind

*Tucker's Golden Shore (continued)*

Each moment shared, I drank it up, a joy I hoped to find

**Chorus**

Oh, Tucker, sweet Tucker, for fourteen years and eight  
Your smiling face, a love so true, defying time and fate  
A loyal heart, a gentle soul, a comfort and a friend  
You made my world forever whole, a love that has no end

**Bridge**

I love you, sweet boy, thank you for being the best  
It was an honor being your Mom, putting my heart to the test  
Run free, be happy, where joy will never cease  
My precious Tucker, find your peace

**Instrumental - cello, piano, nylon guitar**

**Final Chorus**

Oh, Tucker, sweet Tucker, for fourteen years and eight  
Your smiling face, a love so true, defying time and fate  
A loyal heart, a gentle soul, a comfort and a friend  
You made my world forever whole, a love that has no end

**Outro - soft hum, piano fade, nylon guitar**

Running free with his friend Ranger now, in fields of endless green  
Chasing frisbees, snacking on apples, the happiest boy I've seen  
Your spirit soft, a whispered breeze, forever in my dreams.

*Forever in our hearts*
