# Rocky's Lullaby Home

*A Tribute Song*

---

**Intro - Rhodes piano, soft strings**

**Verse 1**

The day we first met, a memory so true,  
Upon my chest you lay, just me and you.  
A little beagle, with a curious purr,  
A sound like a cat, soft as silken fur.  
Right from that moment, my heart knew its way,  
You brought such a comfort to every new day.

**Chorus**

Oh, Rocky, my love, a lifetime it seems,  
Almost fourteen years, of laughter and dreams.  
Your spirit still lingers, a soft, guiding light,  
Shining so brightly, through day and through night.

**Verse 2**

After a long day, when work was all done,  
Our special cuddles, beneath the setting sun.  
I'd kiss your soft fur, and whisper so low,  
"I love you, my Rocky," watching your tail go.  
Those quiet moments, a treasured delight,  
Made everything peaceful, and just feel so right.

**Chorus**

Oh, Rocky, my love, a lifetime it seems,  
Almost fourteen years, of laughter and dreams.  
Your spirit still lingers, a soft, guiding light,  
Shining so brightly, through day and through night.

**Verse 3**

*Rocky's Lullaby Home (continued)*

The house feels too quiet, a space you once filled,  
Each corner holds echoes, a silence that's chilled.

I walk through the rooms, expecting you near,  
A comforting presence, banishing all fear.

The rhythm of life, it's not quite the same,  
Without your sweet bark, or the sound of your name.

**Bridge**

I love you, Rocky, come back home, my dear,  
If I had one wish, to banish this tear.

I'd go back in time, to where we once were,  
To feel your soft presence, your comforting fur.

**Instrumental - cello, piano**

**Final Chorus**

Oh, Rocky, my love, a lifetime it seems,  
Almost fourteen years, of laughter and dreams.  
Your spirit still lingers, a soft, guiding light,  
Shining so brightly, through day and through night.

**Outro - soft hum, piano fade, cello**

I don't know what you're doing, out there on your own,  
But I pray every night, that you'll find your way home.

A peaceful dream, of you running free,  
Forever my Rocky, eternally.

*Forever in our hearts*
