Chewie's Quiet Sunbeam

A Tribute Song

Intro - Rhodes piano, soft cello

Verse 1

The day I saw your little face,
With those beautiful, adoring eyes.
A tiny Shih Tzu full of grace,
A love that truly never dies.
You walked into my life so small,
A gentle spirit, pure and bright.
You answered every tender call,
And filled my days with so much light.

Chorus

Oh, Chewie, my sweet Chewie dear,
For fifteen years, you stayed so true.
Your loving memory is still here,
A precious bond, forever new.

Verse 2

So many nights we'd softly rest,
Your tiny body close to mine.
Snuggled together, truly blessed,
A peaceful comfort, so divine.
Your gentle breathing, soft and low,
A quiet comfort, deep and true.
A silent language, we both know,
My dearest friend, I always knew.

Chorus

Oh, Chewie, my sweet Chewie dear,
For fifteen years, you stayed so true.

Chewie's Quiet Sunbeam (continued)

Your loving memory is still here,
A precious bond, forever new.

Bridge

Chewie, I love you and miss you each day,
You truly were the very best.
You chased the shadows far away,
And put my weary heart at rest.

Instrumental - soft cello, nylon guitar

Final Chorus

Oh, Chewie, my sweet Chewie dear,
For fifteen years, you stayed so true.
Your loving memory is still here,
A precious bond, forever new.

Outro

Now you're running free and grand,
Through tall grass under sunny skies.
Meeting new friends across the land,
With peaceful sleep where warmth lies.
My sweet Chewie, softly dream,
Bathed in a forever sunbeam.

Outro - Rhodes piano fade, soft hum
