Abby's Amber Soul

A Tribute Song

Intro - Rhodes piano, soft strings

Verse 1

I remember when you'd greet me at the door
With your big chocolate nose, I'd ask for nothing more
You'd nuzzle in my palm, a tender, loving art
A thorough sniff-down, right into my heart
Your silky silver fur, a beautiful grey sheen
My daddy's girl, the best you've ever been
From striking puppy blue, your eyes turned amber bright
Where I saw your soul, a pure and guiding light

Chorus

Oh, Abby, my dear girl, ten short years we shared
A bond so deep and true, beyond all else compared
You'll forever be my love, my trusted, loyal friend
A story etched in time, until the very end

Verse 2

Our afternoon cuddles, quiet time in bed
Or in our armchair, where you'd rest your weary head
Wrapped in my blanket, you'd lay upon my knee
Waiting for your mama, to make us happy three
From Texas deer chases to Canada's high floor view
Through desert cactus pain, I always carried you
My tough soldier's heart, you understood so well
A love like ours, a beautiful tale to tell

Chorus

Oh, Abby, my dear girl, ten short years we shared
A bond so deep and true, beyond all else compared

Abby's Amber Soul (continued)

You'll forever be my love, my trusted, loyal friend
A story etched in time, until the very end

Bridge

My sweet moo moo, my goofy Scooby-Doo
Forever daddy's girl, my love for you runs true
In your gentle amber eyes, our souls became entwined
A tough soldier's heart, you understood like no other kind
Ten years were not enough, a part of me went with you
Please wait for me on Heaven's door, my sweet Scooby-Doo

Instrumental - soft strings, piano

Final Chorus

Oh, Abby, my dear girl, ten short years we shared
A bond so deep and true, beyond all else compared
You'll forever be my love, my trusted, loyal friend
A story etched in time, until the very end

Outro

Now you're running like the wind, with phenomenal speed and grace
Chasing squirrels in mid-air, finding your happy place
Unearthing every mole, for sausage snacks you seek
A peaceful dream of you, my gentle, sweet Weimaraner unique.

Outro - piano fade, soft strings

Forever in our hearts
