Sedona's Open Road

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The first time I came walking through the door
A happy AmStaff, asking for so much more
You'd greet me with a boundless, joyful spree
Your obsessive kisses meant the world to me

Chorus

Oh, Sedona, my sweet girl, eleven glorious years
You chased away the shadows and quieted all my fears
A love so pure, a spirit so bright and free
Sedona, you will always be a part of me

Verse 2

Every minute with you was a treasure I would hold
On our long walks together, stories yet untold
You met each stranger with a wagging, happy tail
A love for every soul, a warmth that would not fail

Chorus

Oh, Sedona, my sweet girl, eleven glorious years
You chased away the shadows and quieted all my fears
A love so pure, a spirit so bright and free
Sedona, you will always be a part of me

Verse 3

Your sister Charizma misses you now, it's true
Who will clean her ears and give her comfort like you do?
From Huntington Beach to the Grand Canyon's high command

Sedona's Open Road (continued)

Our road trips covered miles across this sprawling land
To Prescott, Payson, Vegas, and then through states so wide
Always finding comfort with a body pillow by your side

Chorus

Oh, Sedona, my sweet girl, eleven glorious years
You chased away the shadows and quieted all my fears
A love so pure, a spirit so bright and free
Sedona, you will always be a part of me

Bridge

I have loved you more than you will ever know
I was so blessed, my precious, to watch your spirit grow
To be your Mom, my heart so full and true
And to share my life and every day with you

Guitar Solo - acoustic guitar, harmonica, banjo

Final Chorus

Oh, Sedona, my sweet girl, eleven glorious years
You chased away the shadows and quieted all my fears
A love so pure, a spirit so bright and free
Sedona, you will always be a part of me

Outro - acoustic guitar fade, soft hum

Now running free with Nellie, in zoomies bright and bold
A story of pure love, forever to unfold
Sleeping peacefully, dreams of an open road
My sweet Sedona, finally home.

Forever in our hearts
