Grizz's Gentle Snowfall

A Tribute Song

Intro - piano, soft strings

Verse 1

The day you walked into our lives, a gentle spirit bright,
With wagging tail and happy smile, you filled our home with light.
For Griffin, your dear "hoomam brother," and your mom so true,
Each neighborhood walk a joyful trek, shared with me and you.

Chorus

Oh, Grizz, my sweet companion, through eight wonderful years,
You chased away the shadows, and calmed all of my fears.
A love so pure, a heart so kind, a bond beyond compare,
Your memory I'll always keep, a whisper in the air.

Verse 2

When day was done and stars appeared, and quiet fell so deep,
Your heavy head upon my lap, secrets we would keep.
Those cozy snuggles on the couch, a comfort in the night,
Reflected in your watchful eyes, a tender, loving light.

Chorus

Oh, Grizz, my sweet companion, through eight wonderful years,
You chased away the shadows, and calmed all of my fears.
A love so pure, a heart so kind, a bond beyond compare,
Your memory I'll always keep, a whisper in the air.

Bridge

They say goodbyes are never easy, some are hard to bear,
But "You are my hardest goodbye," I whispered through my tear.
"I will love you forever," my promise, soft and true,

Grizz's Gentle Snowfall (continued)

A part of me will always be, forever bound to you.

Instrumental - flute, piano, strings

Final Chorus

Oh, Grizz, my sweet companion, through eight wonderful years,
You chased away the shadows, and calmed all of my fears.
A love so pure, a heart so kind, a bond beyond compare,
Your memory I'll always keep, a whisper in the air.

Outro - piano fade, soft strings

Now running free in endless snow, where skies are always clear,
You pause and look for Griffin, knowing he'll soon be near.
My beautiful Akita, free, beneath the winter sun,
Your gentle spirit soaring, your loving journey done.

Forever in our hearts
