

Remembering Ollie

Custom Pet Memorial Songs

Riley's Open Fields

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

A gentle shadow, a loving friend
Your black fur soft, from start to end
You filled our days with purpose true
And every moment smiled with you
Unconditional, steadfast heart
You played a most important part
A loyal spirit, ever bright
You turned our darkness into light

Chorus

Oh, Riley, our sweet boy, for twelve long years
You chased away our silent fears
A loyal heart, a gentle soul
You made our broken spirits whole
We miss your bark, your wagging tail
Your love was a story, we won't let it fail

Verse 2

Those 7 AM cuddles, oh so deep
On the loveseat while the world would sleep
With coffee warm and breakfast done
Our special moments had begun
And when Brian came home, you'd meet him there
A joyful greeting beyond compare
At the back door, a happy sound
The sweetest dog we ever found

Chorus

Riley's Open Fields (continued)

Oh, Riley, our sweet boy, for twelve long years
You chased away our silent fears
A loyal heart, a gentle soul
You made our broken spirits whole
We miss your bark, your wagging tail
Your love was a story, we won't let it fail

Bridge

We love you so much, our Sweet Binks, go run free
Across the fields, for all to see
And when our time here finds its close
We'll come and find you, where the rainbow glows

Instrumental - harmonica solo, acoustic guitar

Final Chorus

Oh, Riley, our sweet boy, for twelve long years
You chased away our silent fears
A loyal heart, a gentle soul
You made our broken spirits whole
We miss your bark, your wagging tail
Your love was a story, we won't let it fail

Outro - acoustic guitar fade

You're visiting friends who left before
Running free on heaven's shore
Waiting for us, beyond the blue
Sweet Riley, we'll be there with you

Forever in our hearts
