Maddie's Soulful Sleep

A Tribute Song

Intro - Rhodes piano, soft strings

Verse 1

The moment our eyes first met, I knew
A bond was forming, strong and true
Your beautiful gaze, a gentle, deep shine
Reflecting a soul, pure and divine

Chorus

Oh Maddie, my sweet girl, my best friend
Six short years, a journey to the end
But every moment, a precious grace
Forever etched in time and space

Verse 2

Beside me at night, you'd softly repose
So close, closer than anyone knows
Your breath on my neck, a peaceful sound
Safe in your presence, my world was unbound
You'd press up against me, just melt into me
A comfort, a quiet, perfect synergy

Chorus

Oh Maddie, my sweet girl, my best friend
Six short years, a journey to the end
But every moment, a precious grace
Forever etched in time and space

Bridge

I love you so much, my soul dog, it's true

Maddie's Soulful Sleep (continued)

I'll miss you deeply, until I meet you
Again someday, beyond the sky
Where endless love will never die

Instrumental - cello, nylon guitar

Final Chorus

Oh Maddie, my sweet girl, my best friend
Six short years, a journey to the end
But every moment, a precious grace
Forever etched in time and space

Outro - Rhodes piano, soft strings fade

Now running so fast, so free and so bright
A puppy again, bathed in pure light
No more pain, just joy without end
My sweet Maddie, my dearest friend

Forever in our hearts
