Lily's Gentle Sigh

A Tribute Song

Intro - Rhodes piano, nylon guitar

Verse 1

My sweet little Lily, a fluffy friend so grand,
With fifteen years of paw prints across our waiting land.
Each day a new adventure, a joy for you to find,
With doggie friends and humans, you left no friend behind.

Chorus

Oh, sweet Lily, fifteen years so bright,
You filled our world with love and pure delight.
A part of us, a heartbeat, strong and true,
Forever cherished, precious, loving you.

Verse 2

When night would softly fall, you'd wait beside my chair,
With big sweet sighs you'd tell me, "It's time, beyond compare!"
Then running to the covers, you'd settle by my side,
Your gentle touch a comfort, where all my worries hide.

Chorus

Oh, sweet Lily, fifteen years so bright,
You filled our world with love and pure delight.
A part of us, a heartbeat, strong and true,
Forever cherished, precious, loving you.

Bridge

My final whisper spoke, as silent tears would fall,
"Give grandma lots of cuddles and kisses for us all."
No more a whisper, now a promise to the sky,

Lily's Gentle Sigh (continued)

That you are free from heartache, beyond a final sigh.

Instrumental - cello, Rhodes piano

Final Chorus

Oh, sweet Lily, fifteen years so bright,
You filled our world with love and pure delight.
A part of us, a heartbeat, strong and true,
Forever cherished, precious, loving you.

Outro

You're not in pain, my darling, you're with my mom again,
Resting peacefully, beyond all earthly pain.
Sleeping soft and soundly, a gentle, quiet ease,
Running free with grandma, carried on the breeze.

Outro - nylon guitar fade
