Tia's Gentle Whisper

A Tribute Song

Intro - piano, soft strings

Verse 1

From the moment you arrived, a tiny, precious sight
My heart opened wide, filled with pure, unwavering light
My baby girl Tia, from the very start
You found your forever home, nestled deep within my heart

Chorus

Oh, Tia, my sweet girl, sixteen years have flown
A love so pure and true, a seed so deeply sown
You're my little shadow, my constant, loving friend
A bond like ours, my darling, will truly never end

Verse 2

Through every gentle room, I'd feel your soft steps near
Always following me, chasing away all fear
Your sweet, searching gaze, looking for my face
Then a shower of soft kisses, filling every space

Chorus

Oh, Tia, my sweet girl, sixteen years have flown
A love so pure and true, a seed so deeply sown
You're my little shadow, my constant, loving friend
A bond like ours, my darling, will truly never end

Bridge

Now the quiet moment comes, a whisper in the air
No more pain for you, released from every care
Go find Nonna and Nonno, they're waiting there for you
