Sarge's Gentle Whisper

A Tribute Song

Intro - Rhodes piano, nylon guitar

Verse 1

The first time I held you close, my dear,
A happy whimper was all I could hear.
You'd lick my face, a joyful embrace,
So happy I'd returned to this place.
I missed you each moment I was away,
And knew you felt the same through the day.
That overflowing love, a precious art,
Forever etched within my heart.

Chorus

Oh, Sarge, my sweet Sarge, so small and so brave,
Three years you filled my world, the best love you gave.
Though eleven long years you graced this earth,
You brought endless joy, comfort, and mirth.

Verse 2

Each morning you'd whimper, eager to play,
Just to go outside and greet the new day.
You'd watch me get dressed, with hope in your eyes,
Then spin with a bark, a joyful surprise.
You'd prance all around, so happy and bright,
Always by my side, from morning till night.
A loyal companion, so close and so true,
My world was much brighter, having you.

Chorus

Oh, Sarge, my sweet Sarge, so small and so brave,
Three years you filled my world, the best love you gave.

Sarge's Gentle Whisper (continued)

Though eleven long years you graced this earth,
You brought endless joy, comfort, and mirth.

Verse 3

My "Velcro dog," always right by my side,
On the grooming shelf, on every car ride.
In shopping carts, or doctor's chair,
Your quiet presence, always there.
You'd nudge my hand, a comforting lick,
When I felt unwell, you'd know in a flick.
And when you felt low, I'd bring a cool cloth,
To stay close and care, enduring the froth.

Chorus

Oh, Sarge, my sweet Sarge, so small and so brave,
Three years you filled my world, the best love you gave.
Though eleven long years you graced this earth,
You brought endless joy, comfort, and mirth.

Bridge

Sarge, I love you forever, a bond strong and deep,
Your memory forever, my heart will keep.
I can't wait to see you again someday,
Have fun till then, my Sergeant Wilford Pepper, I pray.
You'll always be my Sarge, my sweet boy, it's true,
My forever love, I send to you.

Instrumental - soft strings, Rhodes piano

Final Chorus

Oh, Sarge, my sweet Sarge, so small and so brave,
Three years you filled my world, the best love you gave.
Though eleven long years you graced this earth,
You brought endless joy, comfort, and mirth.

Outro - nylon guitar fade, soft hum

I picture you now, in a beautiful place,
With flowers and trees, a smile on your face.
No sickness to slow, you run wild and free,
Playing with friends, for all eternity.
Squirrels, bunnies, kitties, and dogs by your side,
Enjoying the sunshine, with nowhere to hide.
Until I get there, my precious, sweet boy,
You're running and playing, full of pure joy.
