Rosie's Joyful Run

A Tribute Song

Intro - acoustic guitar, banjo

Verse 1

From the top of the stairs, you'd watch the kitchen floor
A curious eye, always wanting more
To see everyone, to play with all your might
Barking at dogs, a wonderful sight

You loved a good rub, a belly and a pat
Where attention was found, that's where you were at
Running up and down, a blur of fur and glee
To meet mom or dad, happy as can be

Chorus

Oh, Rosie girl, our hearts still sing your name
Five and a half years, you lit our world in flame
A bright red heeler, a spirit wild and free
Your joyful run lives on, for all the world to see

Verse 2

When dinner was done, the fun would truly start
Catching your toy right there, a work of art
In the family room, a leap into the air
Bringing it back to us, beyond compare

Your playful spirit, a dance of pure delight
Making every evening feel so warm and bright
Always full of mischief, always full of grace
Leaving paw prints on our hearts, time cannot erase

Chorus

Oh, Rosie girl, our hearts still sing your name

Rosie's Joyful Run (continued)

Five and a half years, you lit our world in flame
A bright red heeler, a spirit wild and free
Your joyful run lives on, for all the world to see

Verse 3

Every morning, every night, a blur of red and white
Always by our side, a comforting light
A faithful shadow, our loyal, sweet companion
Guarding our home, our beautiful champion

With endless energy, a herder through and through
Every moment with you, precious and new
We cherished every bark, every loving stare
A love like yours, beyond all earthly care

Bridge

Though tears may fall, we feel your gentle grace
A warmth that fills this quiet, empty space
Our Rosie girl, our love will never fade
For every memory, a joyful serenade
We love our Rosie girl, with all our might

Instrumental - mandolin solo, banjo, acoustic guitar

Final Chorus

Oh, Rosie girl, our hearts still sing your name
Five and a half years, you lit our world in flame
A bright red heeler, a spirit wild and free
Your joyful run lives on, for all the world to see

Outro - acoustic guitar, mandolin fade

Running and playing, pain free and light
Forever in our hearts, shining ever so bright
Goodnight, sweet Rosie, goodnight.

Forever in our hearts
