Coco's Wildflower Dream

A Tribute Song

Intro - Rhodes piano, soft cello

Verse 1

Those gentle hugs around my neck, a comfort no one could then check
Your tender kisses, soft and deep, when my sad heart would often weep
The click-clack paws upon the floor, always waiting by the door
My little shadow, close behind, the sweetest friend I'd ever find

Chorus

Oh, Coco, my sweet boy, so true
Eighteen loving years with you
A soul so pure, a love so bright
You filled my world with endless light

Verse 2

Though just a minute I'd be gone, you'd greet me like the rising dawn
With wagging tail and happy cries, a joyful welcome in your eyes
We shared our walks, our picnics grand, a jealous sigh when Dad held hand
And in our bed, through every night, one paw would touch me, holding tight

Chorus

Oh, Coco, my sweet boy, so true
Eighteen loving years with you
A soul so pure, a love so bright
You filled my world with endless light

Verse 3

A fuzzy ball of love, so bright, you captured every heart with light
You loved each person you would meet, your loyal spirit, oh so sweet
Your memory fills our hearts with grace, a love that time cannot erase

Coco's Wildflower Dream (continued)

Forever treasured, pure and deep, a promise that we'll always keep

Chorus

Oh, Coco, my sweet boy, so true
Eighteen loving years with you
A soul so pure, a love so bright
You filled my world with endless light

Bridge

Thank you, best friend, mama's love is true
I'll always miss and dream of you
One day, my dear, when time is done
We'll cuddle close beneath the sun

Instrumental - cello, piano, gentle guitar

Final Chorus

Oh, Coco, my sweet boy, so true
Eighteen loving years with you
A soul so pure, a love so bright
You filled my world with endless light

Outro - Rhodes piano, soft strings fade

Now running free in fields so wide, a ball to chase where flowers hide
On a soft cloud, you softly dream, bathed in God's eternal gleam

Outro - piano fade

Forever in our hearts
