Shiloh's Gentle Echo

A Tribute Song

Intro - grand piano, soft strings

Verse 1

The sound of the key, a happy bark,
You'd greet us home, dispelling the dark.
A little shadow, a devoted friend,
With Papie, you'd follow 'til the day's end.
From shower to garage, patiently you'd wait,
Never once closing the gate.
Then morning would come, you'd lick my feet,
As I said my prayers, a moment so sweet.

Chorus

Oh, Shiloh, our sweet Maltepoo,
Fourteen years, our dreams came true.
With every beat of our loving heart,
You played an unforgettable part.
Our dearest boy, so kind and true,
Forever cherished, we miss you.

Verse 2

At half past eight, onto our bed,
For online mass, what the good priest said.
Your paws we'd clean, to soothe your need,
From licking worries, you were freed.
"Peace be with you," the words would ring,
A treat was coming, a joyful thing.
At five, you'd find me, clear and bright,
Reminding me of our daily walk, day and night.

Chorus

Shiloh's Gentle Echo (continued)

Oh, Shiloh, our sweet Maltepoo,
Fourteen years, our dreams came true.
With every beat of our loving heart,
You played an unforgettable part.
Our dearest boy, so kind and true,
Forever cherished, we miss you.

Verse 3

Every day, your presence a gentle grace,
A love that filled every empty space.
Your quiet joy, a comforting hum,
Through all the seasons, winter to summer.
You taught us patience, love so pure,
A bond like yours, will always endure.
In every corner, a memory lies,
Reflected in our tearful eyes.

Chorus

Oh, Shiloh, our sweet Maltepoo,
Fourteen years, our dreams came true.
With every beat of our loving heart,
You played an unforgettable part.
Our dearest boy, so kind and true,
Forever cherished, we miss you.

Bridge

We're sorry for the peace, though it brought us pain,
But you're free from suffering, again and again.
In our hearts, dear boy, you'll always stay,
Suzanne, Papie, Mom, every single day.
At Rainbow Bridge, you run and fly,
Beneath that bright, eternal sky.
I miss holding your leash, rain or shine,
But peace and freedom now are truly thine.

Instrumental - grand piano, soft strings, chimes

Final Chorus

Oh, Shiloh, our sweet Maltepoo,
Fourteen years, our dreams came true.
With every beat of our loving heart,
You played an unforgettable part.
Our dearest boy, so kind and true,
Forever cherished, we miss you.

Shiloh's Gentle Echo (continued)

Outro - grand piano fade, soft strings, gentle chimes

Now you run free, chasing with glee,
Those squirrels and rabbits you longed to see.
Guarding your territory, strong and bold,
A brave little spirit, stories untold.
Beside Papie's recliner, your napping place,
We feel your warmth, your enduring grace.

Forever in our hearts
