# Jasper's Joyful Spirit

*A Tribute Song*

---

**Intro - acoustic guitar, mandolin**

**Verse 1**

From the moment you came, a Springer's loyal heart,  
A loving spirit, right from the very start.  
Rolling with brothers, with nephews on the floor,  
You brought such joy knocking at our door.  
Always happy, a wagging, friendly tail,  
Ready for cuddles, come rain or come gale.  
Walks and holidays, seaside trips so grand,  
You filled our home with love across the land.

**Chorus**

Oh, Jasper, our best boy, twelve years flew by fast,  
Every memory a treasure that will always last.  
You filled our lives with laughter, light, and grace,  
Leaving paw prints on our hearts, in your special place.

**Verse 2**

The moment I'd walk in, home from a busy day,  
Your happy greeting chased all my stress away.  
A joyful bark, a dance, a loving, soft embrace,  
Always a smile upon your sweet, furry face.  
You taught us patience, you taught us how to play,  
Brightened every single, ordinary day.  
A comforting presence, so gentle and so kind,  
The truest friend a family could ever find.

**Chorus**

Oh, Jasper, our best boy, twelve years flew by fast,  
Every memory a treasure that will always last.

*Jasper's Joyful Spirit (continued)*

You filled our lives with laughter, light, and grace,  
Leaving paw prints on our hearts, in your special place.

**Bridge**

You're our best boy, we'll love you forevermore,  
Beyond the rainbow, beyond the distant shore.  
Run and speak free of pain now, strong and truly free,  
A happy spirit, for all eternity.

**Instrumental - mandolin solo, acoustic guitar**

**Final Chorus**

Oh, Jasper, our best boy, twelve years flew by fast,  
Every memory a treasure that will always last.  
You filled our lives with laughter, light, and grace,  
Leaving paw prints on our hearts, in your special place.

**Outro - acoustic guitar fade**

Though we can't see you, we feel you sitting near,  
A gentle presence, banishing all fear.  
Forever running free, in endless, sunny space,  
Our best boy, Jasper, in that peaceful place.

*Forever in our hearts*
