Reggie's Pawprint Glow

A Tribute Song

Intro - Rhodes piano, nylon guitar

Verse 1

The day we first met you, a memory so clear,
A loving, gentle boy, chasing away all fear.
You followed us everywhere, a shadow close behind,
Our darling Reggie, one of a kind.

Chorus

Oh, Our Darling Reggie, with your sweet, loving gaze,
You filled our lives with joy through 11 wonderful years and days.
A special light you brought into our humble home,
In every heart that loved you, you're never alone.

Verse 2

Every day, every minute, every hour, it's true,
Were our favourite times, just spent with you.
You made us laugh with your antics, a joyful, playful sound,
The dearest little pug, the best we ever found.

Chorus

Oh, Our Darling Reggie, with your sweet, loving gaze,
You filled our lives with joy through 11 wonderful years and days.
A special light you brought into our humble home,
In every heart that loved you, you're never alone.

Bridge

We are so sorry we couldn't keep you here by our side,
But your pawprints shine in the dark, where love cannot hide.
Dear God, please kiss his forehead, from us, a final plea,

Reggie's Pawprint Glow (continued)

Free of pain, eating his jelly beans, answering nature's call.
