

Remembering Ollie

Custom Pet Memorial Songs

Our Little Stars, Rocky and Bella

A Tribute Song

Intro - piano, strings

Verse 1

We saw you there, in a little pen
Knew in our hearts, you'd be ours then
Our tiny Yorkie, our sweet Pom pup
Right from that moment, our spirits lifted up
A wagging tail, a joyful bark
Leaving forever, your special mark
Two little souls, destined to be
The greatest companions for you and for me

Chorus

Oh, Rocky and Bella, our precious pair
Fourteen years of love, beyond compare
In every memory, you brightly shine
Forever loved, forever truly mine
Though tears may fall, our hearts still hold
A story of love, more precious than gold

Verse 2

Our morning cuddles, warm and so deep
A blanket around us, secrets to keep
With coffee brewing, soft and low
Watching your happy little faces glow
And at bedtime, the excited rush
For that nightly treat, a happy hush
And when we came home, you'd greet us there
A love so pure, beyond compare

Chorus

Our Little Stars, Rocky and Bella (continued)

Oh, Rocky and Bella, our precious pair
Fourteen years of love, beyond compare
In every memory, you brightly shine
Forever loved, forever truly mine
Though tears may fall, our hearts still hold
A story of love, more precious than gold

Verse 3

Rocky, our alpha, with rocks you'd play
And fetch with gusto, throughout the day
A "good only child," we'd often tease
You barely tolerated the others with ease
Then Bella, so tiny, just four pounds light
With breath so stinky, but spirits bright
You loved all souls, the sun's warm ray
And squeaky toys helped pass the day

Chorus

Oh, Rocky and Bella, our precious pair
Fourteen years of love, beyond compare
In every memory, you brightly shine
Forever loved, forever truly mine
Though tears may fall, our hearts still hold
A story of love, more precious than gold

Bridge

I will love you forever, miss you always dear
My life will never be the same without you here
Every day I think of you, with love so true
Wishing for one more moment, just me and you

Instrumental - cello, French horn

Final Chorus

Oh, Rocky and Bella, our precious pair
Fourteen years of love, beyond compare
In every memory, you brightly shine
Forever loved, forever truly mine
Though tears may fall, our hearts still hold
A story of love, more precious than gold

Outro - strings fade, piano

Now running free, no pain to bear
Playing in heaven, without a care

Our Little Stars, Rocky and Bella (continued)

With all our dogs, a joyful sound
Treats and squeaky toys, all around
Rocky and Bella, peaceful and bright
Sleeping forever in eternal light.

Forever in our hearts
