# Mighty Joe's Gentle Guard

*A Tribute Song*

---

**Intro - acoustic guitar, harmonica**

**Verse 1**

From the moment you came to my door  
A little fluff that I adored  
You'd follow me from room to room  
Chasing away any shadow of gloom  
A tiny guardian, brave and bright  
Protecting me with all your might  
From family and friends, you'd stand so near  
Banishing every little fear

**Chorus**

Oh, MJ, my sweet Mighty Joe  
Fifteen years we watched you grow  
A loyal heart, a gentle soul  
Making my life wonderfully whole  
My baby, my friend, my love so true  
Every day was better with you

**Verse 2**

When the workday's done, the day was through  
Our favorite time, just me and you  
We'd snuggle close, a perfect peace  
Our happy moments would never cease  
You'd always know when meals were due  
For Willow, Lincoln, and for you  
A gentle nudge, a knowing stare  
Reminding us that dinner was there

**Chorus**

---

*Mighty Joe's Gentle Guard (continued)*

Oh, MJ, my sweet Mighty Joe  
Fifteen years we watched you grow  
A loyal heart, a gentle soul  
Making my life wonderfully whole  
My baby, my friend, my love so true  
Every day was better with you

**Bridge**

You were my favorite, my baby, so small  
I love you with all of my heart, forever and always, standing tall  
I hope when you cross the rainbow bridge, so free  
You see your mom, your grandma, and Auntie Reba waiting for thee

**Harmonica Solo**

**Final Chorus**

Oh, MJ, my sweet Mighty Joe  
Fifteen years we watched you grow  
A loyal heart, a gentle soul  
Making my life wonderfully whole  
My baby, my friend, my love so true  
Every day was better with you

**Outro**

You loved your walks with Willow and Lincoln near  
Playing in the grass, banishing every fear  
Chasing along the fence line, a joyful sight  
Now rest in peace, bathed in gentle light

**Outro - guitar fade**

*Forever in our hearts*
