Buddy's Bright Eyes

A Tribute Song

Intro - piano, cello

Verse 1

The first time I saw you, a tiny, soft pup
With big bright eyes, always looking right up
A little Maltipoo, so gentle and sweet
You completed our home, made our family complete

Chorus

Oh, Buddy, my dear, through thirteen beautiful years
You wiped away every one of my tears
A love so pure, a bond so deep and true
My heart forever will cherish thoughts of you

Verse 2

Each morning you'd find me, a comfort so near
Snuggled right up against me, banishing fear
Your happy little breaths, a sweet, gentle sound
The best friend a person could ever have found

Chorus

Oh, Buddy, my dear, through thirteen beautiful years
You wiped away every one of my tears
A love so pure, a bond so deep and true
My heart forever will cherish thoughts of you

Verse 3

Your gentle presence, a constant, sweet grace
Following softly, from place to place
A comforting shadow, a loyal, true friend

Buddy's Bright Eyes (continued)

Whose boundless devotion would never quite end

Chorus

Oh, Buddy, my dear, through thirteen beautiful years
You wiped away every one of my tears
A love so pure, a bond so deep and true
My heart forever will cherish thoughts of you

Verse 4

When weariness settled, your pink pillow you'd knead
A sweet, gentle rhythm, fulfilling a need
Around the Christmas tree, toy skiers you'd chase
With playful barks, a smile on your face

Bridge

Run free my precious Buddy, beyond the pain and strife
Go say hi to all the kitties, embracing your new life
Though tears may fall, my heart holds you tight
Forever you sparkle, my guiding star, so bright

Instrumental - piano, cello, glockenspiel

Final Chorus

Oh, Buddy, my dear, through thirteen beautiful years
You wiped away every one of my tears
A love so pure, a bond so deep and true
My heart forever will cherish thoughts of you

Outro

Now you're running without pain, joyful and free
Waiting for our daily golf ride, just you and me
Dreaming of sunshine, on fields of green
My sweet little Buddy, my beautiful dream

Outro - piano fade

Forever in our hearts
