

Remembering Ollie

Custom Pet Memorial Songs

Max, My Little Guardian

A Tribute Song

Intro - piano, harp

Verse 1

A tiny poodle, gentle soul,
You made our broken spirits whole.
So kind and true, with loving grace,
A happy smile upon your face.
Your little treat, you'd toss and play,
Before you'd munch it, day by day.
You loved your Mom, your Sissy too,
Our precious boy, so good and true.

Chorus

Oh, Max, our sweet and loyal friend,
Fifteen years, right to the end.
A love so pure, a bond so deep,
Forever memories we will keep.

Verse 2

Each afternoon, a joyful sound,
As Eva's footsteps could be found.
You'd wait right by the school door, keen,
For playtime fun, a happy scene.
You followed Mom, a faithful guide,
Always close, right by her side.
Then Eva grew, a tender sprout,
You followed her, all round about.

Chorus

Oh, Max, our sweet and loyal friend,
Fifteen years, right to the end.

Max, My Little Guardian (continued)

A love so pure, a bond so deep,
Forever memories we will keep.

Bridge

Now you are home, in skies above,
Wrapped in the warmth of endless love.
Our whispered wish, across the blue,
Have fun in heaven with Mommy, too.

Instrumental - cello, piano

Final Chorus

Oh, Max, our sweet and loyal friend,
Fifteen years, right to the end.
A love so pure, a bond so deep,
Forever memories we will keep.

Outro

You watch us now, from peaceful sleep,
A guardian angel, always keep.
Running free, without a care,
Our little Max, beyond compare.

Outro - piano fade

Forever in our hearts
