Wolfie's Blue Eyed Sky

A Tribute Song

Intro - piano, synth pad

Verse 1

My Wolfie, with eyes so bright and blue,
Each morning, they'd shine and look right through.
A playful howl, a joyful leap and bound,
Your favorite toy, for fetch, always found.
You'd wait by the door, a loyal, furry friend,
A happy greeting, until the very end.
A husky's spirit, wild and free and grand,
The best welcome home across the land.

Chorus

Oh, Wolfie, my Wolfie, a whisper in the air,
Ten wonderful years, beyond all compare.
My heart aches for you, a constant, gentle plea,
Dreaming of the day you'll wait for me.

Verse 2

We were couch potatoes, you and I, so sweet,
Watching TV, a soft rest for your feet.
Then cozy on my bed, right by my side,
Where warmth and comfort, you'd always confide.
You raised your little brother, dear Thor, with grace,
A watchful guide in that special place.
My gentle guardian, a love so pure and deep,
While I was out, our home you'd softly keep.

Chorus

Oh, Wolfie, my Wolfie, a whisper in the air,
Ten wonderful years, beyond all compare.

Wolfie's Blue Eyed Sky (continued)

My heart aches for you, a constant, gentle plea,
Dreaming of the day you'll wait for me.

Bridge

I didn't want you to leave, my first son, my best friend,
You saved my life, a love that will transcend.
So lucky to have you, thank you for sharing your life with me,
I miss you, my love, for all eternity.
When my time comes, I'll ask God to light the way,
So we can be together, forever and a day.

Instrumental - piano, subtle flute

Final Chorus

Oh, Wolfie, my Wolfie, a whisper in the air,
Ten wonderful years, beyond all compare.
My heart aches for you, a constant, gentle plea,
Dreaming of the day you'll wait for me.

Outro

Now you're laying in a cloud, so soft and white,
Watching over us, in heaven's gentle light.
Missing us, and Thor, your little brother true,
Sleeping peacefully, until I'm there with you.

Outro - piano fade
