Zoe's Fearless Heart

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

A little Yorkipoo, with a heart so grand
My fearless Zoe, the best in the land
Chasing tennis balls, with joyful stride
Nowhere on earth you'd rather hide
You loved your outfits, a stylish queen
The bravest little girl I'd ever seen
In your pushchair, you'd ride with such grace
Right from the start, you lit up this place

Chorus

Oh, Zoe, my sweet, loyal friend
Eighteen and a half years, right to the end
A love story, etched deep in my soul
You truly made my life feel whole

Verse 2

Our shopping trips, your favourite day to roam
Never a dull moment, bringing treasures home
The attention you got, a happy sound
A new toy or jumper, always found
With wagging tail and bright, curious eyes
You filled our world with sweet surprise
A little lady, full of zest
You truly put our love to the test

Chorus

Oh, Zoe, my sweet, loyal friend
Eighteen and a half years, right to the end

Zoe's Fearless Heart (continued)

A love story, etched deep in my soul
You truly made my life feel whole

Verse 3

Then came Buzz, so scarred and shy
You taught him to stand tall, to reach for the sky
Though you'd chase and you'd boss, a playful game
You gave him courage, by just calling his name
Inseparable friends, a bonded pair
Always looking out, showing you cared
Through every stay, never far apart
You healed his fear with your brave, loving heart

Chorus

Oh, Zoe, my sweet, loyal friend
Eighteen and a half years, right to the end
A love story, etched deep in my soul
You truly made my life feel whole

Bridge

My dearest Zoe, as you crossed the light
I whispered softly, in the fading night
"Love you to the moon and back," my sweet plea
A promise my heart will always repeat for thee

Guitar Solo - acoustic guitar, harmonica, upright bass

Final Chorus

Oh, Zoe, my sweet, loyal friend
Eighteen and a half years, right to the end
A love story, etched deep in my soul
You truly made my life feel whole

Outro

Now with Grandma, in a sunlit place
Chasing tennis balls, with joyful grace
Following her footsteps, through the garden fair
My sweet Zoe, free from every care

Outro - acoustic guitar fade

Forever in our hearts
