Cully's Cheeky Eyes

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The first time that I saw your face
A little pup with so much grace
With cheeky eyes that shone so bright
You filled my world with pure delight
A Schnauxer heart, so brave and true
My loyal friend, that always knew
To stay right by my side each day
And chase the lonely clouds away

Chorus

Oh Cully, my sweet Cully dear
For nine precious years, you wiped each tear
Always by my side, a love so deep
Your memory I will always keep

Verse 2

Each morning when the sun would rise
You'd wake me up with sweet surprise
A gentle nudge upon my tummy
The best alarm, so warm and yummy
Then barking at the rubbish truck
You'd bring us all such happy luck
And on a cold and winter night
Your cuddles made everything right

Chorus

Oh Cully, my sweet Cully dear
For nine precious years, you wiped each tear

Cully's Cheeky Eyes (continued)

Always by my side, a love so deep
Your memory I will always keep

Verse 3

To Augusta beach, you loved to roam,
Chasing gulls, far from our home.
You'd splash and chase the water's gleam,
A happy, never-ending dream.
My shadow always by my side,
Even in the shower, nowhere to hide!
At bedtime, with a special stare,
You'd talk to me, beyond compare.

Chorus

Oh Cully, my sweet Cully dear
For nine precious years, you wiped each tear
Always by my side, a love so deep
Your memory I will always keep

Bridge

Now you and Dad, look after each other
Beneath the stars, my dearest brother
I'll see you again, I truly know
My love for you will always grow
I love and miss you more than words can say
Each and every single day

Harmonica Solo

Final Chorus

Oh Cully, my sweet Cully dear
For nine precious years, you wiped each tear
Always by my side, a love so deep
Your memory I will always keep

Outro - acoustic guitar fade

Free of pain, now with your Daddy
Chasing birds, wild and so happy
Running free, beyond the sun
My dearest Cully, your journey's done.
