Custom Pet Memorial Songs

Lucky's Gentle Heart

A Tribute Song

Intro - piano, harp

Verse 1

Tiny paws, a loving gaze so true,
A little heart, beating just for you.
Your first sweet licks, a memory I hold dear,
Washing away every doubt and fear.
My small Chihuahua, brave and ever bright,
Filling my world with pure, soft light.
Unconditional love, a gift from above,
A constant whisper of your tender love.

Chorus

Oh, Lucky, my dear friend, so true,
Fifteen years, a love that always grew.
My sweet companion, always by my side,
In every moment, you were my guide.

Verse 2

Every day we spent, a treasured time,
A quiet comfort, perfectly sublime.
By my feet you'd sleep, so safe and sound,
The happiest moments, nowhere else were found.
Your gentle breathing, a soothing, soft hum,
A peaceful presence, till the morning come.
In every shadow, and every sunlit ray,
You brought such joy to each and every day.

Chorus

Oh, Lucky, my dear friend, so true,
Fifteen years, a love that always grew.

Lucky's Gentle Heart (continued)

My sweet companion, always by my side,
In every moment, you were my guide.

Bridge

I close my eyes and whisper low and deep,
The promises my loving heart will keep.
"I love you always and forever your mama,"
My precious Lucky, beyond all trauma.

Instrumental - soft strings, glockenspiel

Final Chorus

Oh, Lucky, my dear friend, so true,
Fifteen years, a love that always grew.
My sweet companion, always by my side,
In every moment, you were my guide.

Outro

Now you run free, where green fields softly gleam,
Living out a peaceful, happy dream.
Well and strong, beneath the sunlit skies,
A gentle spirit, that never truly dies.

Outro - piano fade

Forever in our hearts
