Munchkin's Gentle Sleep

A Tribute Song

Intro - piano, harp

Verse 1

I remember your small, fluffy face so sweet
A little pink tongue, a tiny, happy treat
A beautiful Shih Tzu, so soft and so bright
Filling my world with your loving, gentle light
Your eyes held a wisdom, a quiet, deep plea
A beautiful companion, just meant to be
With every soft sigh, a true love understood
My faithful friend, forever good.

Chorus

Oh, Munchkin, my love, thirteen years by my side
A loyal heart, with nowhere to hide
You walked through my life, a soft, loving dream
A precious memory, a golden gleam.

Verse 2

When I'd come home weary, from a long day's grind
You'd meet at the doorway, leaving worries behind
A happy little greeting, a joy to behold
A story of comfort, more precious than gold
You found so much peace in a warm, cozy bed
A sleepy companion, gently unfed
Content in your slumber, no need to roam
Just sweet silent comfort, making my house a true home.

Chorus

Oh, Munchkin, my love, thirteen years by my side
A loyal heart, with nowhere to hide

Munchkin's Gentle Sleep (continued)

You walked through my life, a soft, loving dream
A precious memory, a golden gleam.

Bridge

My final whisper, a truth in my heart
You played the most wonderful, loving part
"I love you," I said, "the best thing in my life"
A beacon of solace, through joy and through strife.

Instrumental - strings, piano

Final Chorus

Oh, Munchkin, my love, thirteen years by my side
A loyal heart, with nowhere to hide
You walked through my life, a soft, loving dream
A precious memory, a golden gleam.

Outro

Now you're doing what you loved to do
Peacefully sleeping, gentle and true
In dreams, I still see you, soft and at rest
My sweet Munchkin, forever blessed.

Outro - piano fade
