Sammy's Gentle Shadow

A Tribute Song

Intro - piano, synth pads

Verse 1

My sweet boy, a tiny Morkie friend,
A loyal shadow until the very end.
You watched over me, my protector so true,
In every moment, I could count on you.

Chorus

Oh, Sammy, dear Sammy, my heart's tender ache,
Thirteen years of love, for goodness sake.
A bond unbroken, a spirit so bright,
You filled my world with endless light.

Verse 2

From the morning sun to the deep of the night,
You were always there, a comforting sight.
Through every season, by my side you stayed,
No truer companion was ever made.

Chorus

Oh, Sammy, dear Sammy, my heart's tender ache,
Thirteen years of love, for goodness sake.
A bond unbroken, a spirit so bright,
You filled my world with endless light.

Bridge

We will meet again, beyond the blue,
A promise whispered, strong and true.
Be at peace now, my sweet little one,

Sammy's Gentle Shadow (continued)

And chase those chippies 'til the day is done.

Instrumental - piano, strings

Final Chorus

Oh, Sammy, dear Sammy, my heart's tender ache,
Thirteen years of love, for goodness sake.

A bond unbroken, a spirit so bright,
You filled my world with endless light.

Outro

Waiting for me in heaven's gentle grace,
A peaceful slumber in that special place.

Forever cherished, forever loved,
My little Morkie, sent from above.

Outro - piano fade
