

Remembering Ollie

Custom Pet Memorial Songs

Boston's Sunlit Shore

A Tribute Song

Intro - acoustic guitar, ukulele

Verse 1

A happy bark, a wagging tail so grand,
The sweetest friend across the land.
A loving lab, with fur of midnight hue,
A playful spirit, strong and true.
You were the best big brother, loyal and kind,
A bond with Moose, we left behind.
Always ready for adventure's call,
You gave your heart, and gave your all.

Chorus

Oh, Boston, our bright and shining star,
Twelve wonderful years, no matter how far.
Your memory dances, wild and free,
A joyful song for you and me.

Verse 2

The morning sun, a quiet, gentle start,
You'd sit beside me, close to my heart.
With every cuppa, you were always near,
Chasing away all doubt and fear.
Those beach walks in Wales, a joyful sight,
Swimming in the sea, with pure delight.
Waves would crash, you'd splash and play,
Making every moment brighter than the day.

Chorus

Oh, Boston, our bright and shining star,
Twelve wonderful years, no matter how far.

Boston's Sunlit Shore (continued)

Your memory dances, wild and free,
A joyful song for you and me.

Bridge

I hear your name, a whisper in the breeze,
"Come on Boston, let's go for a walk with Moose."
A cherished echo, puts my heart at ease,
A love like yours, no power can lose.
Though paths diverge, our spirits intertwine,
A love so pure, a memory divine.

Instrumental - ukulele, acoustic guitar

Final Chorus

Oh, Boston, our bright and shining star,
Twelve wonderful years, no matter how far.
Your memory dances, wild and free,
A joyful song for you and me.

Outro

Now running free, with friends untold,
Over the rainbow bridge, brave and bold.
Watching over us, from skies above,
Filled with endless, perfect love.
Our dear Boston, forever bright,
Shining on, a guiding light.

Outro - acoustic guitar fade

Forever in our hearts
