# Zorro Prancer's Free Run

*A Tribute Song*

---

**Intro - acoustic guitar**

**Verse 1**

I still recall the day we first met, so clear  
A little flash of joy, banishing all fear  
When a slice of apple came into your sight  
Your sweet eyes would glow, burning ever so bright.  
You were a comfort when the world felt grim  
Always close beside me, through my every whim.  
A mix of spirit, from Terrier and Chi  
My little Zorro Prancer, beneath the sky.

**Chorus**

Oh, Zorro Prancer, my dear, dear friend  
For fifteen years and seven months, until the end  
You filled my days with laughter and with cheer  
Chasing away every single tear.  
A loyal heart, a soul so pure and true  
There's a place in my heart, always just for you.

**Verse 2**

The morning sun would find you by my bed  
A gentle nudge, a whisper left unsaid.  
You'd come so close, a ritual we knew  
My hand would reach, to pat and cuddle you.  
Those quiet moments, filled with tender grace  
A peaceful start, in our beloved space.  
Your little body, pressed against my side  
With you, my Zorro, there was nothing to hide.

**Chorus**

*Zorro Prancer's Free Run (continued)*

Oh, Zorro Prancer, my dear, dear friend  
For fifteen years and seven months, until the end  
You filled my days with laughter and with cheer  
Chasing away every single tear.  
A loyal heart, a soul so pure and true  
There's a place in my heart, always just for you.

**Verse 3**

With terrier spirit and a heart so keen  
You lived your life, a joyful, vibrant scene.  
Always ready for a game, a playful chase  
A boundless energy, with so much grace.  
You taught me patience, kindness, and to see  
The simple wonders, meant for you and me.  
Every single step, a memory we shared  
A love so deep, a bond beyond compared.

**Chorus**

Oh, Zorro Prancer, my dear, dear friend  
For fifteen years and seven months, until the end  
You filled my days with laughter and with cheer  
Chasing away every single tear.  
A loyal heart, a soul so pure and true  
There's a place in my heart, always just for you.

**Bridge**

Go run free now, my sweet boy, have all your fun  
Your journey's finished, your race is finally run.  
Thanks for your life, for fifteen years and more  
Thanks for the good times, knockin' at my door.  
I know there's no more pain, my heart can see  
Just endless fields, where you can just be free.

**Instrumental - acoustic guitar, harmonica**

**Final Chorus**

Oh, Zorro Prancer, my dear, dear friend (with rising emotion)  
For fifteen years and seven months, until the end  
You filled my days with laughter and with cheer  
Chasing away every single tear.  
A loyal heart, a soul so pure and true  
There's a place in my heart, always just for you.

**Outro - acoustic guitar fade**

*Zorro Prancer's Free Run (continued)*

Now you're running with your brother, Boomer, in the light  
And with your friend, Oscar, shining ever so bright.  
No more goodbyes, just endless, joyful play  
Zorro Prancer, free forever, starting a brand new day.

*Forever in our hearts*
