# Zulu's Profound Gaze

*A Tribute Song*

---

**Intro - piano, synth pad**

**Verse 1**

From a tiny body, a spirit so grand,  
With profound eyes, you understood our land.  
A little Pomeranian, with a knowing stare,  
Your sweet character, beyond all compare.  
So cheeky and mischievous, a playful delight,  
Then melting in our arms, so loving and bright.  
Your gentle cuddles, a balm for every day,  
Chasing away shadows, in your own sweet way.

**Chorus**

Oh, Zulu, our dear friend, so true,  
Sixteen and a half years we walked with you.  
In every memory, your love shines bright,  
Our little star, our guiding light.

**Verse 2**

Our mornings began, with your happy little trot,  
Walking the garden, a cherished, peaceful spot.  
We followed your footsteps, beneath the morning dew,  
And nighttime cuddles, just me and you.  
Your loving gaze, a comfort we'd always find,  
A bond unbreakable, one of a kind.  
In every moment, big and small,  
You gave us your heart, you gave us your all.

**Chorus**

Oh, Zulu, our dear friend, so true,  
Sixteen and a half years we walked with you.

---

*Zulu's Profound Gaze (continued)*

In every memory, your love shines bright,  
Our little star, our guiding light.

**Bridge**

You were our best friend, our perfect baby so dear,  
Saving us so often, calming every fear.  
You broke the mold, can never be replaced,  
Forever in our hearts, your love embraced.

**Instrumental - cello, piano**

**Final Chorus**

Oh, Zulu, our dear friend, so true,  
Sixteen and a half years we walked with you.  
In every memory, your love shines bright,  
Our little star, our guiding light.

**Outro**

Now in the sun, you sleep and dream,  
Chasing squirrels, a joyful stream.  
Rolling in the grass, with that huge smile,  
We'll hold your spirit for a long, long while.

**Outro - piano fade**

*Forever in our hearts*
