Sofie Mae's Friendly Stroll

A Tribute Song

Intro - acoustic guitar, glockenspiel

Verse 1

From the moment that we met, a little Yorkie Teddy Bear
You greeted every single person, without a worry or a care
A tiny wagging tail, a happy, friendly sound
The cutest little creature, the sweetest dog around
You knew just how adorable you were, with eyes so bright and keen
The happiest hello, the best you'd ever seen.

Chorus

Oh, Sofie Mae, a heart so pure and true
Fifteen wonderful years, we spent them all with you
Your spirit shines so brightly, a light that won't fade out
There's joy in every memory, without a single doubt.

Verse 2

Those early morning walks, beneath the rising sun
Exploring every street, until the day was done
Our neighborhood adventures, a rhythm we both knew
Just you and me together, in skies of morning blue
With little paws a-patter, beside me, side by side
My faithful, furry friend, with nothing left to hide.

Chorus

Oh, Sofie Mae, a heart so pure and true
Fifteen wonderful years, we spent them all with you
Your spirit shines so brightly, a light that won't fade out
There's joy in every memory, without a single doubt.

Verse 3

Sofie Mae's Friendly Stroll (continued)

To Sofie, every stranger was a friend she hadn't known
You'd make them feel so welcome, on every path you'd roam
We often heard them smiling, with joy upon their face
"Just meeting her has made my day," right in that very place
Your joyful little presence, a gift from up above
Spreading sunshine everywhere, with boundless, happy love.

Chorus

Oh, Sofie Mae, a heart so pure and true
Fifteen wonderful years, we spent them all with you
Your spirit shines so brightly, a light that won't fade out
There's joy in every memory, without a single doubt.

Bridge

You touched the hearts of everyone, with kindness and with grace
A beacon of pure affection, in every time and place
Thank you for giving so much love, a precious, gentle soul
You made our lives complete, you always made us whole.

Instrumental - acoustic guitar, glockenspiel, upright bass

Final Chorus

Oh, Sofie Mae, a heart so pure and true
Fifteen wonderful years, we spent them all with you
Your spirit shines so brightly, a light that won't fade out
There's joy in every memory, without a single doubt.

Outro - acoustic guitar fade, tambourine

Now running free among the trees, in woods so green and wide
With boundless joy and lightness, nowhere left to hide.

Forever in our hearts
