

Remembering Ollie

Custom Pet Memorial Songs

Chumlee's Royal Run

A Tribute Song

Intro - acoustic guitar, mandolin

Verse 1

A small fluffy bundle, a dream come true
With tiny paws, and eyes so new
We held you close, our sweet chubby boy
Our hearts overflowing with pure joy
Hugging and snuggling, giving double love
A precious gift sent from above
A little Shitzu Bichon, our softest friend
A love story we knew would never end

Chorus

Oh, Chumlee, our little prince, so grand
Sixteen years we walked hand in hand
Your paw print etched upon our souls
Making our fragmented spirits whole

Verse 2

We cherished our long walks, side by side
Through fields and pathways, with nothing to hide
Then the best part, when Papi came near
You'd run like the wind, dispelling all fear
A joyful bark, a wagging tail bright
Filling our home with pure delight
Always eager for a tasty treat
Every moment with you was bittersweet

Chorus

Oh, Chumlee, our little prince, so grand
Sixteen years we walked hand in hand

Chumlee's Royal Run (continued)

Your paw print etched upon our souls
Making our fragmented spirits whole

Bridge

Mommy and Papi miss you, our little prince, it's true
Our whole lives were wrapped up in you
Life will never be the same, we know
But out of pain, happy, watching you grow

Harmonica Solo

Final Chorus

Oh, Chumlee, our little prince, so grand
Sixteen years we walked hand in hand
Your paw print etched upon our souls
Making our fragmented spirits whole

Outro

Now you're running free, light as the air
Playing with Charlie, without a care
Eating pizza and treats, a joyful spree
Forever happy, forever free

Outro - guitar fade

Forever in our hearts
