# Tux's Gentle Smile

*A Tribute Song*

---

**Intro - piano, acoustic guitar**

**Verse 1**

The day we met, a tiny fluff of white  
A Pomeranian, filling up with light  
I remember seeing your sweet, happy smile  
And knew my heart would stay with you a while

**Chorus**

Oh, Tux, my dearest friend, for eleven cherished years  
You walked beside me, calming all my fears  
Now in the quiet, a soft and dreamy hum  
My sweet Tux, I still feel your love has come

**Verse 2**

Each morning when the world began to wake  
You'd bring your warmth, for goodness gracious sake  
Those special moments, with morning cuddles deep  
Secrets that my loving heart will keep

**Chorus**

Oh, Tux, my dearest friend, for eleven cherished years  
You walked beside me, calming all my fears  
Now in the quiet, a soft and dreamy hum  
My sweet Tux, I still feel your love has come

**Bridge**

Though silence fills the space where you once played  
The love we shared will never ever fade  
A gentle whisper, soft upon the breeze

*Tux's Gentle Smile (continued)*

"Baby Tux," you're forever here with me

**Instrumental - piano, strings**

**Final Chorus**

Oh, Tux, my dearest friend, for eleven cherished years  
You walked beside me, calming all my fears  
Now in the quiet, a soft and dreamy hum  
My sweet Tux, I still feel your love has come

**Outro**

You're waiting for me, beyond the morning dew  
Running free beneath the sky so blue  
Sleep softly now, my darling, sweet and deep  
Forever in my heart, your memory I'll keep

**Outro - piano fade**

*Forever in our hearts*
