Joey's Lakeside Dream

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

A gift from God, a loyal angel true,
My Boxer heart, always brave and new.
Through every challenge, we stood side by side,
With you, my Joey, I never had to hide.

Chorus

Oh, Joey, sweet spirit, gentle and kind,
Eight wonderful years, a bond intertwined.
Your memory lingers, a soft, loving tune,
Beneath the starlight, beneath the moon.

Verse 2

Early each morning, to the lakeside we'd roam,
Finding our peace, so far from home.
Then peaceful sleep, with you right by my side,
My heart's quiet harbor, where all worries would hide.

Chorus

Oh, Joey, sweet spirit, gentle and kind,
Eight wonderful years, a bond intertwined.
Your memory lingers, a soft, loving tune,
Beneath the starlight, beneath the moon.

Bridge

Watch over us, my love, from skies above,
Knowing I yearn for our reunion, filled with love.
Find Buddy, Petey, and Clyde, and Bear so grand,

Joey's Lakeside Dream (continued)

Bonnie, Chance, Tyson, Ljuba, hand in paw in that land.
Scout and I miss you, our love will always stay,
Waiting to see you again, another day.

Instrumental - cello, piano

Final Chorus

Oh, Joey, sweet spirit, gentle and kind,
Eight wonderful years, a bond intertwined.
Your memory lingers, a soft, loving tune,
Beneath the starlight, beneath the moon.

Outro

Now chasing lizards, with your sight fully restored,
Cancer-free forever, by all of heaven adored.
Gathering boxers, keeping them close to your heart,
Waiting for me, never truly apart.

Outro - guitar fade
