Sophie's Gentle Whisper

A Tribute Song

Intro - Rhodes piano, soft strings

Verse 1

The click of tiny nails upon the floor,
A joyful sound that I remember so.
You taught us love, and asked for nothing more,
A gentle guide, wherever we would go.
With kisses sweet and snuggles soft and deep,
You watched us all, a loyal, loving friend.
You kept Sebastian secrets you would keep,
And helped our McCoy learn until the end.

Chorus

Sophie, my love, for fifteen years you stayed,
A shining light, a quiet serenade.
Through every day, your gentle heart displayed,
A love that time will never fade.

Verse 2

Each morning bright, your kisses soft and true,
A tender start, as day began anew.
And every night, your snuggles saw me through,
My faithful shadow, always by my view.
At the top of the stairs, you'd wait for me,
A wagging tail, a joy to truly see.
You watched the world, with wisdom in your plea,
And showered all with love so wild and free.

Chorus

Sophie, my love, for fifteen years you stayed,
A shining light, a quiet serenade.

Sophie's Gentle Whisper (continued)

Through every day, your gentle heart displayed,
A love that time will never fade.

Verse 3

Through changing tides, a steady rock you were,
An anchor strong, through every storm and stir.
Your solid love, no chaos could deter,
A stubborn heart, beyond compare.
Unmovable and steadfast, ever true,
A constant comfort, seeing us all through.
You built a haven, painted bright and new,
My dearest Sophie, loyal, just for you.

Chorus

Sophie, my love, for fifteen years you stayed,
A shining light, a quiet serenade.
Through every day, your gentle heart displayed,
A love that time will never fade.

Bridge

Sophie, my love, I whisper low and deep,
Your memory forever I will keep.
You saved my heart from slumber, from its sleep,
And taught me love again, so strong and steep.

Instrumental - nylon guitar, Rhodes piano, strings

Final Chorus

Sophie, my love, for fifteen years you stayed,
A shining light, a quiet serenade.
Through every day, your gentle heart displayed,
A love that time will never fade.

Outro - Rhodes piano, soft strings fade

Now running free, with energy reborn,
No longer weary, nothing to be worn.
With Sebastian, snuggling through the morn,
Or bossing him around, as if to warn.
Her appetite returned, she takes it in,
Judging gently, where the new life can begin.
Spreading love to all, a joy within,
Sophie, my dear, forever on the wind.
