Brodie's Brightest Smile

A Tribute Song

Intro - ukulele, acoustic guitar

Verse 1

A tiny white blur, a Westie so grand,
You'd bark for your dinner, a playful command.
With a tilt of your head, you would talk back to me,
And play hockey with toys for all eyes to see.
Such energy small, with a spirit so bright,
You filled every moment with laughter and light.
Those first happy days, a joy to recall,
The best little dog, you gave your all.

Chorus

Oh Brodie, my darling, my mischievous friend,
Eleven amazing years, right to the end.
Your happy heart's rhythm, a melody true,
My sunshine, my Westie, I'll always miss you.

Verse 2

When day turned to night, and the world grew still,
My special routine, you knew it so well.
We slept side by side, a comforting art,
Your presence so close, forever in my heart.
A sweet little shadow, always nearby,
With that loving gaze, beneath your soft eye.
A playful companion, so loyal and kind,
The best furry comfort, one could ever find.

Chorus

Oh Brodie, my darling, my mischievous friend,
Eleven amazing years, right to the end.

Brodie's Brightest Smile (continued)

Your happy heart's rhythm, a melody true,
My sunshine, my Westie, I'll always miss you.

Bridge

I love you so much, my perfect boy, it's true,
Thank you for choosing me, to be mommy to you.
I will love and adore you forever, my dear,
You made me so happy, banishing every fear.
If my love could have saved you, my sweet little star,
You would've been here, no matter how far.

Instrumental - cheerful piano, ukulele

Final Chorus

Oh Brodie, my darling, my mischievous friend,
Eleven amazing years, right to the end.
Your happy heart's rhythm, a melody true,
My sunshine, my Westie, I'll always miss you.

Outro - acoustic guitar fade

Though you're gone from my sight, I feel you near,
Beyond the Rainbow Bridge, banishing every tear.
Running freely and bright, with a joyful heart's beat,
My dear little Brodie, our love is complete.

Forever in our hearts
