Patches' Gentle Smile

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

The first time that I saw your face
A happy smile, so full of grace
A border collie, keen and bright
You filled my world with joyful light

Chorus

Oh, Patches, my sweet girl, it's true
Twelve wondrous years I spent with you
Your memory lives on inside my heart
We're never truly far apart

Verse 2

Through coolie paths and sands so fine
On Costa Rica's ocean line
In Yuma's desert, hot and wide
You always stayed right by my side
But oh, the joy of herding sheep
A promise that my heart will keep
Your spirit free, a vibrant hue
In every dream, I'll walk with you

Chorus

Oh, Patches, my sweet girl, it's true
Twelve wondrous years I spent with you
Your memory lives on inside my heart
We're never truly far apart

Bridge

Patches' Gentle Smile (continued)

I whisper now, a silent plea
I wish I was a better mom to thee
If love could keep you here with me
You would have lived eternally
I would have given you the world, my dear
And wiped away each falling tear

Instrumental - piano, pads

Final Chorus

Oh, Patches, my sweet girl, it's true
Twelve wondrous years I spent with you
Your memory lives on inside my heart
We're never truly far apart

Outro

Now you run free, a streaking bullet, bright
Through tall green grass at Keho's light
At peace you rest, a gentle sleep
Forever in my heart you'll keep

Outro - piano fade

Forever in our hearts
