

Remembering Ollie

Custom Pet Memorial Songs

Zues, Morning Vigil

A Tribute Song

Intro - piano, cello

Verse 1

The day you came, a presence strong and true,
With solidarity, strength, and beauty, too.
A Mastiff's gentle spirit, calm and deep,
A guardian's silent promise, you would keep.

Chorus

Oh, Zues, my guardian, steadfast and bold,
Five and a half years, a story yet untold.
Though silence now echoes where you once stood,
Your love in my heart is deeply understood.

Verse 2

Each morning light, a memory I trace,
At the top of the stairs, you'd hold your place.
Waiting patiently, just for me to rise,
A silent devotion in your loving eyes.

Chorus

Oh, Zues, my guardian, steadfast and bold,
Five and a half years, a story yet untold.
Though silence now echoes where you once stood,
Your love in my heart is deeply understood.

Bridge

A final whisper carried on the air,
"Thank you my boy," beyond all compare.
You taught me lessons only love can bring,

Zues, Morning Vigil (continued)

On quiet, powerful, steadfast wing.

Instrumental - strings, french horn

Final Chorus

Oh, Zues, my guardian, steadfast and bold,
Five and a half years, a story yet untold.
Though silence now echoes where you once stood,
Your love in my heart is deeply understood.

Outro

I know you're waiting, visiting soft and low,
Watching over me, wherever I go.
Peaceful now, in slumber deep and calm,
Forever safe within my heart's warm balm.

Outro - cello fade
