# Peanut's Gentle Light

*A Tribute Song*

---

**Intro - piano, cello**

**Verse 1**

Every time I came home, a gift you'd bring  
A loyal heart, a gentle, giant king  
Though your old bones ached, you'd follow near  
Chasing away every doubt and fear

**Chorus**

Oh, Peanut, my sweet boy, seven years went by  
Beneath your loving gaze, I learned to fly  
Your gentle spirit, a beacon in the night  
My dearest friend, my eternal light

**Verse 2**

Each evening, I'd call, 'time for night night,' you'd know  
Into our beds, our quiet moments would flow  
And coming home, your welcome, a joyful sound  
The purest love my heart had ever found

**Chorus**

Oh, Peanut, my sweet boy, seven years went by  
Beneath your loving gaze, I learned to fly  
Your gentle spirit, a beacon in the night  
My dearest friend, my eternal light

**Bridge**

Thank you for being my very best friend  
My precious sunshine, until the very end  
I'm sorry for the pain, I wish I could mend

*Peanut's Gentle Light (continued)*

On your spirit's journey, my love I send

**Instrumental - piano, strings**

**Final Chorus**

Oh, Peanut, my sweet boy, seven years went by  
Beneath your loving gaze, I learned to fly  
Your gentle spirit, a beacon in the night  
My dearest friend, my eternal light

**Outro**

Now you're running free, with Hazel by your side  
Doing all the things old age had denied  
No more pain, just joy, beneath skies so wide  
Sleep softly, my dear boy, my heart's gentle tide

**Outro - piano fade**

*Forever in our hearts*
