Charley's Gentle Light

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

The first light touched the window pane,
A tiny paw, a sleeping friend again.
Between us nestled, warm and deep,
Your gentle breathing, as we'd sleep.
A little Yorkie, brave and bright,
Filling our mornings with pure light.
A tiny heart, so full of grace,
Finding your own special place.

Chorus

Oh, Charley, our sweet, faithful friend,
Fourteen cherished years, right to the end.
Your memory a gentle song,
Where you forever will belong.

Verse 2

Those quiet evenings, soft and low,
Together snuggled, watching embers glow.
A happy sigh, a loving glance,
Lost in that sweet, tender trance.
The joy you found on every ride,
Running back to us with pride.
A tiny warrior, swift and true,
Every adventure shared with you.

Chorus

Oh, Charley, our sweet, faithful friend,
Fourteen cherished years, right to the end.

Charley's Gentle Light (continued)

Your memory a gentle song,
Where you forever will belong.

Bridge

A final whisper, soft and clear,
"I love you, darling, hold me near."
"Remember me, don't ever stray,"
"And wait for me, 'til that far day."

Instrumental - cello, piano

Final Chorus

Oh, Charley, our sweet, faithful friend,
Fourteen cherished years, right to the end.
Your memory a gentle song,
Where you forever will belong.

Outro

Now running free, on fields so wide,
Healthy and happy, by our side.
Dreaming of journeys, fast and far,
Beneath a bright and peaceful star.

Outro - piano fade
